Florida claimed its second consecutive Southeastern Conference regular-season title in 2020 with a 7-0 league record. When the 2020 season ended March 12 due to the pandemic, the Gators were 10-0 and nationally ranked No. 2.

MEDIA COVERAGE

From the tip of the Panhandle and down through Miami, the University of Florida athletic program attracts statewide interest from newspapers, magazines, television, websites and radio stations. UF holds its fair share of the national spotlight too, as media outlets such as ESPN, USA Today and Sports Illustrated track the progress of not only the nationally ranked football team, but also the careers of the many Gator world-class athletes. Locally, more than dozen media outlets regularly cover the Gators. In addition to daily coverage from the local media, many of the state's larger papers such as the Orlando Sentinel, Palm Beach Post, Miami Herald, Ft. Lauderdale Sun Sentinel, Florida Times Union and the Tampa Bay Times cover the Gator teams. The UF Communications Department also helps student-athletes' hometown media follow the careers of Gators from their area.

Jenny Rowland, who swept all possible coaching honors in 2020, begins season six as University of Florida's head gymnastics coach. Rowland is the seventh head coach for the Gator program, which begins its 49th seasons in 2021.

Rowland brought experiences from the sport's highest level to Florida. She is a former U.S. National Team member and a collegiate All-American. Rowland claimed the 2020 Women's Collegiate Gymnastics Association (WCGA) National Coach of the Year award.

Rowland's Coaching Career:

At Florida:

The Gators ranked among the nation's top four teams throughout Rowland's first five seasons at Florida. The 2020 Gators were 10-0 and ranked No. 2 before the Covid-19 pandemic ended NCAA action for all sports. In NCAA Super Six team final action, the 2016 Gators were fourth and took third in 2017 and 2018.

The Gators are three-time Southeastern Conference champions under Rowland – winning the 2016 SEC Championships and 2019 and 2020 SEC regular-season crowns. Rowland shared the 2016 SEC Coach of the Year honor. In 2020, Rowland swept all coaching honors – SEC, Region 5 and WCGA National Coach of the Year.

Since 2016, 12 Gators collected 90 All-America honors (at NCAA Championships and WCGA regular-season). Three Gators claimed seven NCAA event titles - Bridget Sloan (2016 NCAA all-around, uneven bars, balance beam), Alex McMurtry (2017 all-around, uneven bars; 2018 vault) and Alicia Boren (2019 floor exercise). Sloan (2016) and McMurtry (2017) claimed the Honda Award, given annually to the top collegiate female athlete in each of 12 sports.

The Gators also excelled in the classroom, with the team's cumulative 3.72 grade point average for the spring 2020 semester ranking among the best ever among all Florida teams. The 2017 NCAA Elite 90 Award went to McMurtry, an honor given to the student-athlete with the highest grade point average at each of the 90 NCAA Championship sites. McMurtry earned a 2018 NCAA Postgraduate Scholarship and fellow senior Grace McLaughlin received a $10,000 postgraduate scholarship as the 2018 Brad Davis SEC Community Service Award winner.

In the fall of 2019, Rowland was appointed to the NCAA Women's Gymnastics Committee. Her term runs through the 2023 season.

At Auburn:

Rowland came to Florida after spending five seasons at Auburn. She joined the Auburn coaching staff as an assistant coach in October of 2010 and was elevated to associate head coach in March of 2013. Rowland worked with all aspects of the Auburn gymnastics program, coordinating all of the program's community outreach efforts and interactions on campus as well as playing an integral role in recruiting and in-gym activities.

She was named co-National Assistant Coach of the Year in 2015 after helping Auburn reach the NCAA Super Six for the first time in 22 years.

She served as the lead balance beam coach, as the Tigers put up the top beam totals of 2015 Southeastern Conference and NCAA Semifinal II competition. Three Tigers earned beam All-America honors in 2015. She also worked with the Tigers' floor exercise and routine construction. Rowland, who is a Category 3 International Brevet judge, offered her judging expertise through video breakdown of Auburn's routines.

Coaching Career Start in Sooner State:

Rowland coached Elite gymnasts at Bart Conner Gymnastics Academy in Norman, Oklahoma, for five years and then joined the Oklahoma coaching staff in June of 2001. At OU, she helped coach the Sooners to the 2004 Big XIII title, three-time team NCAA qualifiers (2004-06) and three Big XIII Gymnasts of the Year.

As a Gymnast:

During her gymnastics career, Rowland was a USA National Team member from 1985-1990 and was part of the U.S.'s 1989 World Championships team. During her collegiate career, she earned All-America honors for the uneven bars in 1993 for Arizona State.

After retiring from competition, she returned to her home state, enrolling at the University of Oklahoma to finish her degree.

More Rowland Info:

She graduated from Oklahoma with a bachelor's degree in health and sports sciences in 1997. Rowland married Garon Rowland, an All-American gymnast for the Sooners, and the couple has two daughters – Ella and Emmy.

Rowland is a Category 3 International Brevet level judge. She served on the judging panel for the 2008, 2012 and 2016 U.S. Olympic Trials.

"When we started this search, there was one name that kept coming up - Jenny Rowland. What Auburn has done over the past few seasons is quite impressive and she's played a big role in the Tigers' progress. We feel confident she's ready to guide the Gator program.

"She wants Gator gymnasts to thrive in all aspects of their student-athletic career – in the classroom, in the competitive arena and in developing the life skills to be successful following college. She knows what is like to be a competitor on the national, international and collegiate stages. She has what it takes to be a successful recruiter as she's built relationships with so many in the gymnastics world.

"We welcome Jenny, her husband, Garon and their daughters Ella and Emmy, to the Gator program."

ADRIAN BURDE

ASSISTANT COACH

Adrian Burde (pronounced bur-DAY) enters his 15th season with the Florida gymnastics program in the fall of 2020. He coaches vault and tumbling, as well as aids in recruiting and team conditioning.

Adrian Burde (pronounced bur-DAY) enters his 15th season with the Florida gymnastics program in the fall of 2020. He coaches vault and tumbling, as well as aids in recruiting and team conditioning.

Burde's Coaching Career:

At Florida:

Burde has coached vault and tumbling for the Gators since 2011. A Gator has claimed three NCAA vault titles since 2011 (Marissa King/2011, Kytra Hunter/2012, Alex McMurtry/2018). Florida has also taken Southeastern Conference event titles in each of the last nine SEC Championships (Kennedy Baker 2016 vault & 2017 floor; Ashanée Dickerson, 2011 floor exercise; Hunter, 2012 & 2015 vault; 2013, 2014 & 2015 floor; McMurtry 2015 & 2018 vault & 2017 floor; Sloan, 2013 floor; Trinity Thomas 2019 vault. 2020 SEC meet canceled due to COVID-19 pandemic).

Florida's 10 advancing to the final five NCAA floor exercise finals (individual event championship format ceased after 2015) is the nation's top total in that time span and UF's nine in the NCAA vault finals is the second highest. The Gators' floor total of 49.725 in 2013 Super Six action set the NCAA Championships' event record and Florida's 49.875 in the 2014 home opener is the second-highest floor total in NCAA history. With Florida's meet-highs of 49.675 (2014) and 49.65 in 2015, the Gators own three of the top five floor totals in NCAA Super Six history.

Five Gators matched Florida's vault and floor exercise records in the last seven seasons. Hunter led the nation in 2014 with six 10.0 marks (two vault; four floor) and Sloan also turned in a 10.0 floor score. Sloan opened the 2015 season with a perfect vault mark and Alex McMurtry also posted a vault 10.0. Kennedy Baker collected 10.0 floor marks in 2016 and 2017. McMurtry added another vault 10.0 and earned her first floor 10.0 in 2017. She also scored a vault 10.0 in 2018. Trinity Thomas earned a floor 10.0 in Florida's 2020 regular-season finale.

Burde coached the Gator uneven bar performers when he joined the program and his impact was evident early. The 2007 Gators opened the season with the team's then third-highest uneven bars team total ever of 49.575 at the Super Six Challenge. The UF bar record was reset to 49.70 versus Kentucky on Feb. 16. The Gators held the No. 1 position in the national bar rankings for the final nine weeks of the regular season. Florida was again among the national uneven bars leaders in Burde's second season. Florida's total of 49.625 set in the Gators' Link to Pink meet was the nation's highest uneven bars total of the 2008 season and ranks third all-time for the Gators. Two Gators advanced to the 2009 NCAA bar final, with then sophomore Alicia Goodwin sharing third overall – matching the then-second-highest UF bar finish in the program's history. All-America honors were earned by three Gator bar performers in 2010, with two advancing to the event final.

At Nebraska:

Burde was part of the University of Nebraska staff for the 2002 through 2006 seasons. At Nebraska, he served as the vault and floor coach and conditioning coordinator.

Burde helped lead the Cornhuskers to four NCAA Super Six team finals (2002, '03, '05, '06). He saw NU athletes earn 19 All-America honors in the floor and vault events. It was at Nebraska that Burde coached Canadian Richelle Simpson, the 2003 NCAA all-around and floor exercise champion. He served as her coach at the 2003 World Championships in Anaheim, California, and the 2003 Pan American Games.

Collegiate Coaching Honors:

At Florida

- 2007 National Association of Collegiate Gymnastics Coaches for Women (NACGC) Southeast Region Assistant Coach of the Year
- Shared 2011, 2013, 2015, 2016, 2017, 2019 and 2020 WCGA Region 5 Assistant Coach of the Year

At Nebraska

- 2003 NACGC National Assistant Coach of the Year
- 2003 NACGC South Central Region Assistant Coach of the Year

Club Coaching Career:

Prior to working at Nebraska, Burde coached the girl's Level 10 and International Elite programs for the Bart Conner Gymnastics Academy in Norman, Oklahoma, where he worked alongside Gator Head Coach Jenny Rowland. There, he coached U.S. National Team members Larissa Stewart and Lori Wynn.

Romanian National Team:

Burde began his coaching career in his native Romania in 1994. He was a Junior National team coach until 1999, coaching the Romanian Junior National Team.

He coached Romanian Alexandra Eremia from 1997-99, who later was a member of the 2004 Olympic gold medal team and was awarded the bronze medal on the balance beam. Burde also coached Florica Leonida during the same time, who along with Eremia, earned a team silver medal at the 2003 World Championships.

As a Gymnast:

Burde was a member of the Romanian Junior National Team from 1988 to 1992. He joined the French club team Aix les Bains in 1992 and captured the all-around title at the 1994 French national meet. While competing, Burde also helped coach younger gymnasts at the club.

OWEN FIELD

ASSISTANT COACH

Owen Field is in his sixth season with the Gators in 2020-21. His responsibilities include coaching the Gator uneven bar performers, sharing the team's conditioning coach duties and overseeing team equipment needs and maintenance.

Field's Coaching Career:
At Florida:
A Gator shared the last two of the last four NCAA uneven bars titles – Bridget Sloan (2016) and Alex McMcMurtry (2017). The Gators' uneven bars lineup was among the nation's top four rankings throughout the 2016, 2017, 2018, 2019 and 2020 seasons.

McMurtry was the nation's only gymnast to turn in multiple 10.0 bars marks in 2016 and she added two more in 2017 – including in the NCAA Super Six team final. She was nearly perfect again in 2018 NCAA Super Six action with her fifth 9.975 bars mark of the season. Trinity Thomas earned her first collegiate 10.0 on the uneven bars in 2020. Five Gators collected seven All-America honors on the event in the last four NCAA Championships.

Field shared the 2016, 2017, 2019 and 2020 WCGA Region 5 Assistant Coach of the Year honor with Adrian Burde.

At Nebraska:
Before joining Florida, Field was with the University of Nebraska women's gymnastics program, serving roles as manager or volunteer coach during his six years with the Huskers. When he was a volunteer coach, Field worked alongside head coach Dan Kendig to coach the Huskers' on uneven bars. He also assisted with the Huskers' strength and conditioning program.

While Field was with Nebraska, the Huskers advanced to the NCAA Championships four times (2015, 2014, 2012, 2010), reaching the Super Six in 2014. Nebraska gymnastics picked up a total of 12 All-America honors in either uneven bars or all-around while Field was with the Huskers. A Husker won conference bars titles in 2012, 2013 and 2015.

Field also served as Southern Utah's volunteer coach for the 2011 season.

Field was the club coach at UNL, the Nebraska School of Gymnastics, and was a coach at the Southern Utah Gymnastics Academy. Field has coached at several gymnastics camps, including Lake Owen Gymnastics Camp, Flipfest and Woodward Gymnastics Camp.

Personal:
Field received his bachelor's degree in psychology from Nebraska in 2015.

He was born in Sheboygan, Wis., on July 11, 1990.

JEREMY MIRANDA

VOLUNTEER COACH

Volunteer Assistant Coach Jeremy Miranda provides his innovative and artistic touch to the Gator gymnastics routines again for the 2021 season. Entering his 14th season, Miranda oversees all creative aspects musically and choreographically for the Gator floor routines.

His 13 years at Florida have included 11 NCAA Championship appearances, three NCAA Super Six team titles, 37 All-America honors earned in NCAA Championships' floor competition (including the 2015 and 2019 NCAA champion), nine Southeastern Conference floor champions, 17 NCAA Regional floor champions, and 168 regular season floor titles – including all 10 possible titles in 2020. Also, the Gator's floor routine rotation at the 2013 NCAA Super Six currently holds the highest team floor score ever posted in NCAA Championship history at 49.725.

Prior to joining the Gator program in the summer of 2007, Miranda worked with the University of Nebraska women's gymnastics team for the 2006 and 2007 seasons. His choreography and assistance to the coaching staff helped the Huskers to the Super Six Championship both seasons. In addition, Miranda also served as club coach for the Nebraska School of Gymnastics from 2005-07, coaching classes ranging from preschool to elite.

Miranda spent several summers as master staff instructor at the world-renowned Woodward Gymnastics Camp in Woodward, Pennsylvania, and additionally has served on the coaching staff at multiple summer camps and clinics across the country.

A notable gymnast in his own right, Miranda was a level 10 gymnast who culminated his gymnastics career with a co-national championship finish on the floor exercise at the 2005 Junior Olympic National Championship, as well as an eighth-place finish on the vault.

A native of Chamberlain, S.D., Miranda graduated summa cum laude from the University of Florida, receiving a bachelor of fine arts degree in dance performance during the summer of 2010. He currently oversees the choreography for the many shows of Walt Disney World. Miranda has experience as a professional dancer and choreographer in New York City and appeared in many live stage productions such as Hello Dolly!, Cats, A Chorus Line, West Side Story and Mary Poppins as well as TV appearances on Orange is the New Black, The Following, Law and Order SVU, The Blacklist and SMASH. He has served as dance captain for Norwegian Cruise Lines, ship-wide dance captain for Disney Cruise Lines and worked in the revamp of Donn Arden's Jubilee! at Bally's in Las Vegas.

At age eight, Alyssa had to make a choice. She was participating in both gymnastics and tennis, and one day much to her mother's embarrassment, she finally threw her racket across the court and declared, "I hate tennis!" When pressed why, Alyssa confessed what she didn't like was being tired for gymnastics. It was then that she started to dedicate her whole heart to the sport. Alyssa says her favorite event is beam and she loves performing her Onodi while competing on the event. In her room back home in Texas, a big Gatorhead rack holds Alyssa's many medals – including the 2014 World Championships' gold she won as a member of Team USA.

Leah Clapper realized after attending several work meeting during a "Bring Your Daughter to Work" day that she didn't want to follow her father into engineering. Leah wants something that plays on her eye for detail and organization traits, but gives room for creativity. Advertising seems to check those boxes. Leah finished her freshman year by traveling to Australia in May of 2019 for UF's Study Abroad program. Her start in gymnastics came when her mom watched toddler Leah walking on the edges of their blow-up pool. Leah taught her younger sister, Lily, different skills in the family's basement. Mom stopped Leah's tutoring of Lily at back handsprings. Lily then joined Leah at the gym. Baking with their mom is something the Clapper sisters enjoyed from a young age. At just six months old, Chloi Clark began walking, so her mom looked for an outlet meeting two criteria: a) energy burner and b) fun for Choli. Gymnastics was introduced at age two and after trying soccer, basketball, lacrosse, and swimming, those sports fell away until gymnastics was sole focus at age 8. Even though she's from Colorado, Chloi has wanted to be a Gator all her life; she watched Florida compete on TV and searched YouTube for clips when the team wasn't in season. Chloi's favorite event is floor because of the tumbling and performance aspects. The Mile-High Gator influence shows in her beam routine, choregraphed by Gator gymnastics alumna (and Colorado native) Kiersten Wang. One common Centennial State activity Chloi never took up: skiing. The extensive COVID-19 break enhanced Chloi's desire to continue her gymnastics career into college. Before meets, you can find "Chlo" listening to Juice Wrld and making bracelets to steady her nerves!

Raised by a gymnast, Gabrielle was born to compete. Although their styles are totally different, Gabbie describes herself as a "twister" and her mom, Keyara, as a "flipper," Gabbie's training with her mom gave her the foundation she needed to become a college gymnast. She's excited to finally be a part of a team and compete in front of a big crowd, but she's not used to cheering during meets, so her team will have to help her out with that! Gabbie loves her family in North Carolina, but luckily she's not homesick yet. She's kind of used to the separation; she lived with a host family in South Carolina her last year of high school so she could graduate early, but she stayed at the same gym, meaning she had to drive an hour both ways to get there! Another roadblock in her training—Gabbie's coach spoke Chinese, so she had a hard time understanding him, but she picked up a few words. The transition to college has been pretty easy for Gabbie, and she's taking advantage of her exploratory major to learn more about her interests in the medical field. Gabbie loves exercising outside, shopping, and having dance sessions with her roommates!

2021 Bests:

Three-year old Payton Richards told her mom she wanted to try gymnastics after seeing 2004 Olympic all-around champion Carly Patterson performing on television. She also participated in soccer, softball, swimming and ballet but ended her mom's aspirations for Payton to be a dancer after narrowing the field to just gymnastics. The Chicago-connection shows in Richards sibling first names. Payton and her oldest brother, Jordan, are named after Chicago all-time great athletes. When her younger brother arrived, Payton told her mom to return him for a sister. But now, Payton loves being the only girl among the Richards' quad. She credits them for making her tough. Payton can beat them in a footrace, but they tease her for her lack of wakeboarding aptitude when at their Indiana lake home. No Paraskevidekatriaphobia with Payton – she was born on Friday the 13th! The family has two English bulldogs – Amelia and Zoe. Payton FaceTimes often with her brothers to make sure they are walking the pair as often as Payton does when she is home.

2021 Bests:

Savannah Schoenherr's parents sought an outlet for their oldest child's energy. Soccer was first, then they tried dance, but that activity was dismissed by Savannah after a single class. Then came Option 3: gymnastics. It was an immediate hit. Mom often had to pry a young Savannah off the beam when it was time to go home. Savannah appreciates all the sacrifices by her parents to help her gymnastics career advance. This includes mom joining Savannah in Maryland while she trained for three years – mom was always there with a word of encouragement. Named after the Georgia town where her parents met, but friends just call her Sav. Brother, Blake, is a competitive dirt biker. A crash due to a throttle/brake mix-up ended Savannah's dabble with dirt bikes.

Santa does listen! Megan's gymnastics career began when she saw Cirque du Soleil on TV at age three and asked Santa for "ginastics" for Christmas. She then enrolled in gymnastics lessons at four years old. When her mother asked her if she was interested in competing even though she was a shy kid, she replied, "of course I want to compete; if you compete, you get a medal!" Today, Megan said gymnastics still helps her to break out of her shy side and show a different part of herself doing what she knows best. Both of her parents attended UF and they met in Gainesville as students. Megan is a big fan of breakfast at any time of the day. The Skaggs family includes three cats, but Juliet picked Megan as her person and has no cuddles or purrs for anyone else in the household.

Halley Taylor is an aspiring prosecutor who sometimes practices persuading arguments on her two younger brothers. It is not always affirmative for her side, but that's why she practices! Dad sends motivating texts before each competition. The maiden name of the person who inspires her to be better (Halley's mom) also inspired her first name. Prom was the day before the 2018 Junior Olympics Level 10 Championships. Two big events and Halley picked both. She attended prom Saturday night and then flew to Ohio to compete Sunday evening at JOs (and had the one of the best meets of her life). This fourth generation Gator has been coming to Florida football games and gymnastics meets since childhood. She noticed all the love and support that flows from Gator Nation and is thrilled now to be part of the Gator gymnastics team.

2021 Bests:

Trinity Thomas started gymnastics at age seven – making her a latecomer to the sport. In her third and final year of high school, Trinity joined a couple high school teams. Just like gymnastics, Trinity proved to be an early adaptor. She took second in the state 2A 1-meter diving championships. On the track, she competed pole vault and participated in sprints from 100- to 400-meters, passing the baton to her younger sister, Tesia, on the 400-meter relay team. The initials T.L.T. are shared by the five Thomas siblings and their parents. Scary movies are her favorite genre. Sang with her church's worship team when younger – still loves to sing. Mom sends Trinity a quote or devotion each morning. Now that Trinity is sole provider for clean laundry or a tidy room while at college, she's developed a new appreciation for all her mom does every day. She also misses mom's pot roast!

GYMNASTICS SCORING

In collegiate team competition, six gymnasts perform on each of the four apparatus. The five best scores per event are added together to make up the cumulative team total.

At least two judges are required to evaluate an athlete's performance. Choices of elements "up to the competition level" are defined by basic requirements for each event. The scores are averaged to arrive at a final mark.

GENERAL DEDUCTIONS

Fall from apparatus or on floor	0.5
Stepping out of bounds (floor exercise)	0.1
Heavy brush of feet, or hand touch on floor	0.3
Presentation to judge omitted (before or after exercise)	0.1
Intermediate swing (bars)	0.3
Concentration pauses longer than two seconds	0.1
Coach blocking judges' view	0.2
Competing out of order (taken from the team score)	0.1
"Up to the competition level" deduction	0.1

Other deductions are taken, usually up to and no more than 0.3, for such things as bent arms and legs, or separation of legs.

VAULT

Vaulting requires speed, quickness and explosive power. Vaults are divided into three categories: handspring, Tsukahara and round-off entry.

Deductions are taken for technical errors in the areas of preflight (approach to the horse) and after flight (distance and height) from the horse to the point of landing

2021 Gator Vaults	
Yurchenko layout with full twist:	**9.95**
Alyssa Baumann, Leah Clapper, Chloi Clark, Jazmyn Foberg, Gabrielle Gallentine, Sydney Johnson-Scharpf, Ellie Lazzari, Alex Magee, Nya Reed, Megan Skaggs, Halley Taylor, Payton Richards, Savannah Schoenherr	
Yurchenko layout with one and a half twist:	**10.0**
Alyssa Baumann, Ellie Lazzari, Nya Reed, Payton Richards, Savannah Schoenherr, Trinity Thomas	

Gymnastics skills are divided into different categories (A, B, C, D, E), with E containing the exceptionally difficult skills. An asterisk denotes E-level skills (*).

Beginning in 2020:

Start values for uneven bars, balance beam and floor exercise **starts at 9.4**. The gymnasts are required to **gain six-tenths in bonus** on those events to get to 10.0. In previous years, the start value for these events was 9.5, requiring gymnasts to earn five-tenths bonus.

UNEVEN BARS

Good composition includes elements showing great amplitude, bar changes, grip changes and direction changes. Pauses for concentration, intermediate swings and uncharacteristic elements are to be avoided. After a fall, the gymnast must resume the exercise within 30 seconds

Requirements for the bars (failure to complete requirements results in .2 start value deduction) include:

1) Minimum of 2 bar changes
2) 2 flight elements, minimum of 2 different C's or D and B (not to include dismount)
3) One element with long axis turn, minimum of "C" (not to include dismount)
4) "C" dismount with the following modification: "C" dismount immediately preceded by same two A or B elements = .10 deduction (not .20)

Gators to Watch in 2021:

Alyssa Baumann: giant ½ to straddle jaeger, overshoot hand, double layout dismount*

Leah Clapper: giant ½ to pike jaeger*, overshoot hand, half-in half-out

Chloi Clark- clearhip, geinger, overshoot hand, double layout

Megan Skaggs: reverse hect to immediate Pak salto, double layout dismount*

Trinity Thomas: Shaposh immediate clear hip, pak salto to toe handstand, Khorkina*, double layout dismount*

BALANCE BEAM

The beam routine should be composed of elements from the following groups: acrobatic elements with and without flight, turns and leaps. The balance beam is 16 feet long, four feet high and only four inches wide. The entire routine must last between 30 seconds and one and a half minutes. A bell is rung at the 1:20 mark of the routine. If the gymnast does not complete the routine at the end of one and a half minutes, an overtime penalty of .10 is deducted from the score. There is no under time deduction.

Requirements for the beam (failure to complete requirements results in .2 start value deduction) include:

5) Acro series: Minimum of two (2) flight elements, one element must be a minimum of C with or without hand support (both elements must start and finish on the beam).
6) Dance or dance acro series with a minimum of two (2) elements, dance element C or higher.
7) A leap or jump requiring 180 degree split (this may be part of the acro/dance series).
8) Minimum of 360 degree turn. No hand support permitted.
9) Minimum of C dismount or B dismount proceeded by and directly connected to any D acro element.

FLOOR EXERCISE

The composition of the exercise must show harmony between gymnastics and acrobatic elements, create dynamic changes in rhythm and levels and show versatile use of the entire floor area. The exercise must contain two different acrobatic series and one series must contain at least two saltos. The musical accompaniment is to be instrumental only. The exercise must last between 1:10 and 1:30 minutes. The "competition level" for floor exercise are defined by the basic standards (failure to meet competition level is a .10 deduction).

Requirements for floor (failure to complete requirements results in .2 start value deduction) include:

10) One acro series with two (2) saltos (same or different), OR two directly connected saltos.
11) Three different saltos within the exercise.

2020 SEASON RECAP

Jan. 10 versus No. 19 Arkansas

Gator gymnastics equaled the nation's top opening 2020 team score with a 197.35-194.40 win versus Arkansas in front of 7,531 at the Exactech Arena at the Stephen C. O'Connell Center.

The Gators' 197.35 set the program's all-time best for a season opener, upping the previous high of 197.30 set in the 2019 opener.

Florida took the top two on each of the apparatus final standings. Sophomore **Trinity Thomas'** four titles includes setting the Gators' season opening all-around total best of 39.70. Some big scores boosted Thomas' all-around, as she earned the ninth (balance beam) and 10th (floor exercise) 9.975 mark of her career. She also won bars at 9.925.

Sophomore **Nya Reed** equaled her collegiate vault best of 9.875 to take her first collegiate title on the event. She also matched her floor best of 9.925 to take second.

Florida's lone freshman **Payton Richards** anchored the vault lineup with her runner-up mark of 9.85. Three Gators scored a 9.9 or better on beam tonight, with senior **Rachel Gowey** matching her collegiate best of 9.95 and junior **Alyssa Baumann** taking third at 9.90.

Jan. 17 at No. 19 Missouri

2020 road action opened with a 196.85 – 195.60 win at No. 19 Missouri. Anticipation of severe winter weather led to the University of Missouri announcing campus closure for meet day.

Junior **Megan Skaggs** led the Gators on their opening event with an uneven bars mark of 9.875, which placed second. Freshman **Payton Richards** opened Florida's bars set with a collegiate best 9.85 to tie for third. The evening's bars title was claimed by Missouri freshman Helen Hu at 9.95.

Sophomore **Nya Reed** matched her collegiate-best of 9.875 again to claim her second consecutive vault win. Richards took second on the event at 9.775.

Florida raised its season-high floor exercise total to 49.475 Friday. The three Gators with marks of 9.90 or better swept the floor awards. **Trinity Thomas** won the event for the second consecutive week (9.95), while **Alyssa Baumann** (9.925) and **Rachel Gowey** (9.90) posted season-highs to claim second and third, respectively. Gowey's 9.90 equals her collegiate-best set in 2019.

Thomas claimed her second-straight balance beam title Friday with her mark of 9.925. Gowey shared second at 9.90 with MU's Hu.

Jan. 24 versus No. 8 LSU

In the evening's only top-10 matchup, it was No. 2 Florida gymnastics using the nation's 2020 high for the win over No. 8 LSU in a key Southeastern Conference meet. The Gators won 198.375 – 197.775 over the Tigers.

A sellout crowd roared as the Gators posted 22 season or collegiate best scores. A 10.0 by Gator sophomore **Trinity Thomas** on uneven bars gave her the first perfect score of her collegiate career. Tiger freshman Kiya Johnson also scored her first collegiate 10.0 Friday to win the balance beam title.

Florida trailed the Tigers by 0.025 after the opening rotation, despite turning in its season-best of 49.40 on vault. Gator freshman **Payton Richards** anchored the lineup with a collegiate-best 9.925 to take third. The vault title was shared at 9.95 by LSU's Ruby Harrold and the defending NCAA vault champion Kennedi Edney.

The Gators' uneven bars total of 49.65 tied for sixth highest in school history and put the team ahead for good. After Thomas' 10.0, fellow sophomore **Savannah Shoenherr** also set her collegiate-best to share second with Harrold at 9.975.

Five marks of 9.9 or better gave Florida a balance beam total of 49.675 – equaling the school record set in 2018 versus Oklahoma. Two Gators were nearly perfect on the event at 9.975 – junior **Alyssa Baumann** and senior **Rachel Gowey** – to share second overall.

Thomas was close to perfection again on floor exercise with her winning mark of 9.975. She shared the floor title with LSU's Johnson. Sophomore **Nya Reed** was third after upping her collegiate-best to 9.95.

Feb. 21 versus No. 8 Alabama

A sellout Exactech Arena crowd celebrated Florida's second consecutive Southeastern Conference gymnastics title with a 198.05 – 197.45 win over No. 8 Alabama.

The top two gymnastics teams in league standings met for Florida's 14th Annual Gators Link to Pink meet. UF led the meet from the first rotation and added to the margin to claim its second straight regular-season title.

SEC TITLE:

- Florida claimed its 12th SEC title and second consecutive (1982, '83, '84, '85, '89, '07, '10, '12, '13, 16, '19, '20). This is the fourth year for the awarding of a regular-season SEC gymnastics title. From 1981-2016, the winner at the SEC Championship meet was considered the league champion.

Feb. 28 at No. 10 Georgia

As if the No. 2 Florida gymnastics team needed any more motivation for the rivalry meet at No. 10 Georgia, a video message from a fan gave the team some fuel Friday.

That fan? Florida Head Football Coach Dan Mullen. His message is one that echoes through Gator Nation, which is "Beat the Bulldogs" in whatever sport the two teams meet.

Florida heard that message, defeating Georgia 197.80 – 196.50 in front of a sellout Stegeman Coliseum crowd of 9,695.

The win **gave Florida its first undefeated SEC regular-season at 7-0**. Beginning in 1992, all league teams met during regular season action. Florida's was unbeaten in the 2007 season with a 5-0-1 record.

In the nation's only top-10 dual of the evening, Florida led from the opening rotation.

Florida opened on bars, with sophomore **Trinity Thomas** anchoring with a near-perfect 9.975 to claim the event title. Junior **Megan Skaggs** took second at 9.875 and sophomore **Savannah Schoenherr** shared third at 9.85 with UGA's Megan Roberts.

When Thomas and Schoenherr moved to vault, they both equaled their collegiate-best marks. Thomas won the evening's vault competition at 9.95 and Schoenherr took third at 9.90.

Florida's final two competitors – Thomas and **Alyssa Baumann** – led the Gators on floor. Thomas won floor with a 9.95 and Baumann shared second at 9.90 with Georgia's Sabrina Vega.

On its closing event, Florida was just a fraction away from its school balance beam record (49.675) with its 49.65 total tonight. The final four Gators all turned in marks of 9.9 or better. Baumann won the beam competition after equaling her collegiate best of 9.975. Thomas and sophomore **Leah Clapper** shared second at 9.95 and senior **Rachel Gowey** added a 9.9.

Thomas claimed her sixth consecutive all-around at 39.825 – equaling Florida's record and the nation's No. 2 total in 2020.

Florida completed Southeastern Conference regular-season action with a win at Georgia. UF was 7-0 in 2020 league action for the first time since all SEC teams began meeting in the regular-season in 1992.

March 7 at No. 25 Penn State

Three Gators found perfection in No. 2 Florida's 198.10 – 196.225 win at No. 25 Penn State in what would be the final competition of 2020.

Perfection was first achieved by senior **Sierra Alexander**, earning the maximum value for her Yurchenko full vault (9.95).

Then **Trinity Thomas** found perfection again – this time on floor exercise. This season, Thomas' posted a 10.0 on three events – uneven bars, balance beam and now floor exercise. She was the nation's only gymnast with 10.0 on three different events in 2020.

On the final rotation, **Rachel Gowey** put together a flawless balance beam routine to earn her first 10.0.

These along with a solid team performance helped the Gators to its second-highest total of the season, 198.10. Florida finished the season with seven appearances among the nation's top 20 team totals of 2020.

Florida swept the afternoon's event titles. Alexander's vault win was her first of her collegiate career. The uneven bars win was shared at 9.95 by Florida's **Savannah Schoenherr** and Thomas.

A 10.0 won the floor exercise and balance beam titles. Thomas, competing in front of more than 300 family and friends, put together a floor routine that gave her that elusive 10.0, as she posted nearly perfect floor mark of 9.975 eight times.

Gowey also found that extra bit to move her collegiate beam best from a 9.975 to a 10.0. The senior earned a 9.9 or better eight times in 2020.

Thomas also collected her seventh consecutive and eighth all-around win of the season at 39.525.

Three Gators found perfection at Penn State. In addition to **Rachel Gowey** (left, balance beam) and **Trinity Thomas** (right, floor exercise), senior **Sierra Alexander** posted a 9.95 (maximum value) for her winning vault.

#Individual event scores determined by adding team and individual competition scores together

@ - 1993 marked the first year of a two-day format of team competition. The top six teams from the first day advance to the "Super Six" competition. 2018 was final season for Super Six format. The current format of top two teams from each of the four-team semifinals advancing to the four-team final began in 2019.

From 2016-19, results from the two NCAA semifinals are combined to determine individual event champions. All-America status continues to be based on NCAA semifinal session finish (No. 1-4 = first team; No. 5-8 = second team). Individual finishes shown from 2016 forward are combined results.

From 1999-2015, the top four finishers (plus ties) from each of the NCAA two sessions of team competition earn All-America first-team honors and advanced to the individual event finals. Finishers in the No. 5-8 spots (including ties) in each of the team competition sessions earned second team All-America honors. From 1993-98, the top eight individuals in NCAA team competition earn All-America first-team honors; the next eight earn All-America second-team honors. Prior to 1993, only the top eight finishers from the NCAA event finals earned All-America honors.

* Prior to 1991, the All-SEC team consisted of the top six all-arounders at the SEC Championships.

Starting in 1991, All-SEC team members consisted of the SEC Championships' event champions.

From 1995-2012, the top three all-arounders and event champions named All-SEC first team. No. 4-6 all-arounders and event runner-ups made up All-SEC second team.

Beginning in 2013, the gymnasts with the top two scores in each session of the SEC Championships are All-SEC (second team discontinued).

Due to COVID-19 pandemic, revised criteria for 2020 All-SEC based on final national qualifying score. Top two NQS for each five events in projected SEC Championship sessions named to All-SEC teams

*-All-America second team
IG denotes International Gymnast

Beginning in 2016, the top four finishers (plus ties) from each of the NCAA's semifinals earn All-America first team honors and finishers No. 5-8 (including ties) are All-America second team. Event finals ceased after 2015 season and event finishes are based on combining semifinal results.
From 1999-2015, the top four finishers (plus ties) from each of the NCAA's two sessions of team competition earned All-America first-team honors and advanced to the individual event finals. Finishers in the No. 5-8 spot (including ties) in each of the team competition sessions are second team All-Americans.
From 1993-98, the top eight individuals in NCAA team competition (results from both sessions combined) earned All-America first-team honors; the next eight earned All-America second-team honors. Prior to 1993, only the top eight finishers from the NCAA event finals earned All-America honors.

GATOR GYMNASTICS FAN SUPPORT

A growing fan base is filling the Exactech Arena to cheer Gator gymnastics. The crowds are getting bigger each year at the Stephen C. O'Connell Center. The Gators raised their average attendance for the third consecutive season in 2020 to 8,622. It was the fourth time in the last five seasons the Gators set their attendance average (2020: 8,622; 2019: 8,333; 2018: 8,304; 2016: 7,433).

Seven of the program's top 10 crowds have come in the last decade. Florida's record crowd of 10,855 was set when No. 1 Florida met No. 2 Georgia. Florida's strong fan base played a big role in the Gators being awarded the 2010 NCAA Gymnastics Championships. Florida led the nation's six NCAA Regional sites in 2017 with a crowd of 5,214. Florida plays host to its 14th NCAA Regional Championship in 2024.
